

Harbor City Neighborhood Council

November 6, 2013

Mayor Eric Garcetti
200 N. Spring Street
Los Angeles, CA 90012

Dear Mayor Garcetti:

On behalf of the Harbor City Neighborhood Council and its stakeholders, we would like to thank you for your attempts to keep Department of Water and Power rates lower now and in the future.

While we realize how difficult it can be to negotiate with the city employees, putting the interests of the citizens of Los Angeles above all else is a sound governing policy that we all support.

Good luck in the future with all other endeavors that you take on to protect the interests of the citizens of Los Angeles and their financial obligations. Although you are just beginning, we know you will stay strong in the coming years ahead.

We look forward to your future visits to Harbor City and meeting with the fine citizens of our community and our council.

Sincerely,
