Re: Gold Club Police Permit – 1612 Pacific Coast Hwy, Harbor City.

Dear Commissioners,

On January 24th, 2018 the Harbor City Neighborhood Council sent a letter in opposition to the permit application for the Gold Club at 1612 Pacific Coast Hwy, Harbor City, CA. However, our board has not been notified nor has had the opportunity to evaluate and take a position on the new application. As stated in our letter we are opposed to any adult establishment in this location due to several incidents and complaints over the years.

Please review the attached letter in opposition of the permit.

Sincerely,

Re: Gold Club-LA Inc. police permit

Dear Honorable Members of the Police Commission:

We, the Harbor City Neighborhood Council, on behalf of the community of Harbor City, wish to state our objection to the Police Commission Permit requested by the Gold Club at 1612 Pacific Coast Highway, Harbor City, Los Angeles, CA.

We have heard, over the past several decades, many complaints from stakeholders of our community. This is affecting residences and other businesses, some of which are within 50 feet of the premises. Issues include public drunkenness, condoms and syringes left behind in the alley, patrons parking on private residential property, and other negative behavior.

Despite our attempts, this establishment has never sought to work with the community in addressing our concerns.

We hereby request and encourage your refusal of this permit.

Thank you for your consideration.
