Dear Councilman Joe:

At the August 28, 2013 Governing Board Meeting of the Harbor City Neighborhood Council, the board passed a motion to send you this letter asking that the CD15 Field Representative visit the following locations to see if there are any violations in zoning.

25916 Senator
25907 Senator (Fabricators Welding)
25909 Senator (ABC Company)

These units are not zoned for habitation and residential neighbors have been witnessing individuals at these locations who appear to be living there.

This issue that has been brought to our attention by stakeholders who say that the actions at these locations are affecting their quality of life.

Thank you for your attention to this matter and the excellent service that your office has been providing to the Harbor City Neighborhood Council area.

Sincerely,

A handwritten signature in cursive script that reads "Olive Reed".

Olive Reed, President
On behalf of the Harbor City Neighborhood Council Board
