Dear Council Members,

On May 12, 2010 in a 13-1 vote, the Los Angeles City Council approved sanctions against the State of Arizona by the City of Los Angeles.

On May 19, 2010 at the Harbor City Neighborhood Council's monthly board and stakeholder meeting the stakeholders present were unanimous in their displeasure in having the City Council get involved in a boycott of Arizona and requested that the Harbor City Neighborhood Council send a letter on their behalf expressing their displeasure.

On June 16, 2010 at the Harbor City Neighborhood Council monthly board and stakeholder meeting a motion was made by Greg Donnan and seconded by Wu Ping Own that the Harbor City Neighborhood council write such a letter to the Los Angeles City Council. The motion was passed with 6 yes votes, an abstention from Grant Reed and a no vote from Esther Cepeda.

Therefore, this letter is written on behalf of the stakeholders present at the May 19, 2010 meeting who urge the Los Angeles City council to be concerned with its own problems and **focus** on such issues as a massive budget deficit, layoffs, department realignments, streets, sidewalks, reduced hours at Parks and Libraries, rogue city employees, etc.

Sincerely,

Tom Houston, President
