Re: Gold Club Police Permit – 1612 Pacific Coast Hwy, Harbor City

Dear Commissioners,

We, the Harbor City Neighborhood Council, oppose the issuance of any Café/Entertainment Permit for an Adult Entertainment Establishment on the premises of 1612 Pacific Coast Hwy, Harbor City, CA 90710. We understand that it is an amendment right of any person whom desires to operate a business of this nature to request a permit and is a contributor of our local economy. Furthermore, it is also our understanding that any prior violations of previous permit holders is not cause for an automatic denial of a new permit which would further support our opposition in this matter.

Therefore, as community representatives we have done our due diligence and have surveyed the neighboring residents and business owners to provide you with feedback in the decision making process. Businesses of this nature whom have occupied this property over the years contributed to the negative impact on the quality of life of the surrounding community. Businesses have changed their hours of operation resulting in loss of business. Trespassing, loitering and criminal activities on the neighboring properties have been a repeated complaint and parking issues due to the property has limited accessible parking for its patrons. This causes patrons to illegally park in the adjacent businesses and create congestion in the residential area. We recommend that a business of this nature is better suited in an industrial zone area. We encourage you to consider all of the facts presented and not grant any new permit at this location.

Respectfully,
