Re: West Nile Virus issue at Ken Malloy Harbor Regional Park

Dear Councilman Buscaino,

At the June 19th Board and Stakeholder Meeting, the Harbor City Neighborhood Council voted to send this letter asking for your assistance in combating the issue of the West Nile Virus hazards at Ken Malloy Harbor Regional Park.

This problem can cause unacceptable health risks to the students and children who will be using the new soccer fields.

Therefore, the Harbor City Neighborhood Council supports all efforts made by the City of Los Angeles and the Department of Recreation and Parks to eradicate this problem.

Sincerely,

A handwritten signature in cursive script that reads "Olive Reed".

Olive Reed, President
On behalf of the Harbor City Neighborhood Council Board
