Dear Mr. Miles:

At the August 24, 2011 Governing Board Meeting, the Harbor City Neighborhood Council passed a motion to send this letter of approval to your office with regard to the construction of a fence along the Western Avenue median across from Narbonne High School.

This neighborhood council unanimously supports such a project and the efforts of Principal Kobata of Narbonne High School who is working hard to bring it to fruition. The construction of such a fence is necessary for the safety of students and motorists in that immediate area.

Please feel free to contact me at 310-626-0307 if there is anything that the Harbor City Neighborhood Council can do to facilitate and expedite this project.

Sincerely yours,

Olive Reed, President
On behalf of the
