

Congress of the United States
House of Representatives
Washington, DC 20515-0533

March 18, 2015

Dear Neighborhood Council Leader:

It is an honor and a privilege to serve the constituents of Harbor City as your Representative in Washington. I have previously served as City of Torrance Councilman, State Assemblymember and State Senator.

I have helped California weather through the worst of times and some of the best of times. Six years ago during our recession, we faced a \$60 billion budget deficit in California and double digit unemployment. Challenged with a crisis, my colleagues and I made tough decisions on a bipartisan basis that stabilized our state and put us on a path towards economic growth.

I have also passed a number of laws over the years that protected our children, improved our quality of life, increased job creation, aided domestic violence victims, promoted animal welfare and protected our privacy. In addition, my dedicated staff has provided outstanding constituent services that have helped thousands of families over the years. I will continue this work ethic in the U.S. House of Representatives.

My staff and I will work hard on your behalf in Congress. My long-time staff member Melissa Ramoso will represent me in the Harbor City community. Lisa Pinto, who previously served with the Honorable Henry Waxman, is my District Director and is also available to you and the Neighborhood Council. They both can be reached at my Los Angeles District Office at (323) 651-1040.

I look forward to meeting or reconnecting with you all over the next several months. As always, please let me or my staff know if we can assist you in any way.

Thank you for this opportunity to serve you.

Sincerely,

TED W. LIEU
Member of Congress
